MILITARY REACTORS *Discover a part of our history!*

COTEAU-DU-LAC, Quebec, July 9, 2009 – Parks Canada welcomes three groups of Military Reactors on July 11 and 12 at the Coteau-du-Lac National Historic Site of Canada : the 6th Battalion of the Light Infantry of Hochelaga, the *Compagnies franches de la Marine* and the *Miliciens et Réguliers de Montcalm*.

For this event, these history lovers recreate a real military camp. At the sound of drums and armed commands, we find exercises and military manoeuvres as well as shooting demonstrations!
